

The Chair of Computer Networks and Computer Communications at the **University of Passau** invites applications at the earliest possible date for the position of

**Graduate Teaching Assistant
(Wissenschaftliche Mitarbeiterin / Wissenschaftlicher Mitarbeiter)**

This is a full-time position based on a two-year fixed-term contract with the option of renewal.

Your responsibilities

- Collaborate on projects in different research areas of Energy Informatics, e.g. e-mobility, electrical store management, ancillary services in smart grids
- Support the chair with tasks such as teaching, research and self-administration
- Plan, administer and teach tutorials

Personal requirements

- An excellent BSc or MSc degree in Computer Science or a related subject (e.g. Electrical Engineering or Power Engineering)
- In-depth knowledge of Computer Networks and Computer Communications
- Experience in the favoured research area
- Excellent spoken and written German and English
- A team player: you are approachable, adaptable, able to work autonomously and independently, and work well under pressure

What we offer you

- The opportunity to earn a doctorate from a competitive German Computer Science Faculty
- The opportunity to work and conduct research in a well-respected international environment
- Participation in international project meetings and conferences
- Remuneration in accordance with pay grade E13 of the German public-sector collective agreement TV-L, salary step dependent on qualifications and experience
- A rewarding, diverse and challenging academic position on a modern, verdant campus located on the banks of the river Inn, a few minutes' walk from the historic Old Town of Passau
- A great work climate in a family-friendly environment

The University of Passau wishes to increase the proportion of its female staff and expressly encourages women to apply for the position.

Job-sharing arrangements may be possible, depending on the number of suitable candidates.

This position is suitable for candidates with disabilities, who will be given preference if the personal aptitudes and qualifications are otherwise equal.

If you have any further questions about this position, please contact Ms Ursula Hoesl by e-mail (prohdm@fim.uni-passau.de).

To apply, please send your full application (including education, training and work certificates) as a single pdf file to prohdm@fim.uni-passau.de by no later than **31 May 2018**. Once the application process has been completed, we will retain your application on file for six months before deleting it from our computer systems.
