Support for Early Career Researchers

The Research Services Division

The Graduate Centre

- The first port of call for all organisational and interdisciplinary matters regarding doctoral and postdoctoral research
- Provides training and information in: research methods; principles of good academic practice; management of academic organisations; research and non-research career paths; and higher education teaching
- Administers grants for travel expenses and thesis publication
- Gives individual guidance and maintains a vast selection of up-to-date information materials on science and research as well as on funding programmes and fellowships
- Advises on all matters relating to doctoral and postdoctoral study and research
- Offers interdisciplinary course formats

Our Research Training Groups

- Bavarian Graduate Program in Economics (international research training group of the Bavarian Elite Network)
- Bavarian Research Training Group on Political Theory
- DFG Research Training Group 1681/1 'Privacy: Forms, Functions, Transformations'
- Graduate School of International Cultural Studies (GSICS)
- Tri-national Research Training Group Multimedia Distributed and Pervasive Systems (MDPS), which offers double doctorate opportunities in Germany, France and Italy
