Online Application Database

Are you looking for an international company with East-European connections for an internship or the practical part of your thesis? Would you like to work in Germany closely with East Europe or in Central, East or South-East Europe?

Then the Online Application Database from *Perspektive Osteuropa* is perfect for you!

You can ...

- ... **create your own profile** and provide it to over 60 well-known companies with East-European connections.
- ... **read feedbacks** others have written about their internships.
- ... find **companies with specific job and internship descriptions**.

All this costs only 15 € in the first year, 10 € in the second year and just 5 € for each following year!
