

The **University of Passau** owes its strong visibility and good reputation to excellent research, innovative teaching and its tight-knit international academic networks. Some 13,000 students and more than 1,200 staff study and work on our University campus, which is located a stone's throw from the historical Old Town of Passau and combines state-of-the-art technical infrastructure with award-winning architecture. Internationally successful high-tech companies and a vibrant start-up scene, coupled with a rich culture and Lower Bavarian traditions, give Passau and the surrounding area a special appeal that makes it a great place to live and work.

The **Chair of IT Security** (Professor Joachim Posegga) invites applications for the position of

Graduate Research and Teaching Assistant

for immediate start.

This is a **full-time position**, based on a fixed-term contract *of one year with the option of renewal*.

Your responsibilities

- Conduct research on current topics in IT Security
- Carry out curricular teaching events at the master's and bachelor's level
- Assist in the conception of new IT-Security research projects
- Opportunity for independent research for your doctoral thesis

Person specification

- Excellent university degree (Dipl.-Inf. or M.Sc. or comparable) in Computer Science or a closely related area
- Experience in the field of IT Security
- Practical experience in applied IT Security, such as network security, applied cryptography, secure software engineering or mobile-platform security
- Willingness to work independently on scientific topics
- Very good written and spoken English
- Ability to work in a team; openness; flexibility and the ability to work independently

What we offer you

- Remuneration in accordance with pay grade E13 of the German public-sector collective agreement TV-L; the salary step is dependent on your qualifications and experience
- A rewarding, diverse and challenging academic position on a modern, verdant campus located on the banks of the river Inn, a few minutes' walk from the historic Old Town of Passau
- A great work climate in a family-friendly environment

The University of Passau wishes to increase the proportion of its female staff and expressly encourages women to apply for the position. Job-sharing arrangements may be possible, depending on the number of suitable candidates.

This position is suitable for candidates who are registered disabled. Persons with disabilities are given preference over non-disabled applicants who do not otherwise have statutory preferential status if their overall personal aptitudes, skills and qualifications are equal.

If you have any further questions about this position, please contact Professor Joachim Posegga by e-mail (joachim.posegga@uni-passau.de) or by telephone at +49 851 509 3211.

To apply, please send your full application (including school, training and work certificates) before **30 September 2019** in one single pdf file to jp@uni-passau.de. Once the application process has been completed, we will retain your application on file for up to six months before deleting it from our computer systems.
