Sports and activities

Sports at the University

The Sports Centre of the University offers the ideal chance for physical balance. On spacious outdoor grounds and indoor installations, about 40 different kinds of sports are available, including Aikido, table tennis, fitness courses, wintersports, rowing, yoga and various dance courses.

The indoor facilities comprise two gymnasiums, a climbing wall and a fitness area with a top-of-the-line weightlifting and cardio area. The outdoor facilities include a football pitch, athletic track, basketball courts as well as a beach volleyball field. The university's canoeing and rowing boathouse is located approximately two kilometres upstream on the river Inn. Please check the website of the Sports Centre for up-to-date information

Other sports

In Passau, there is much more to discover, such as a big ice skating arena or numerous bike and hiking trails. Around 100 sports and leisure clubs offer sports from asphalt curling to the water sports disciplines and look forward to new members.

Due to the proximity to Austria as well as to the Bavarian Forest and the Czech Republic, there are many recreational possibilities. A guided tour of the castle (Veste Oberhaus) or a bike tour to the Mostbauer are worthwhile leisure activities.

You can sign up for the courses online through the website once you have paid the Sports Centre user fee (usually by bank transfer). Please keep in mind that you need your CampusCard to pass the turnstiles at the entrance.

Swimming

In Passau, you can either go swimming at the swimming pool (peb) or at one of our lakes in the surrounding area.

Unterer Ilzstausee

Near Passau-Hals

Features:

- ▀ a big lawn
- ▀ changing cubicles
- ▀ catering

Skiing

Bavaria and Austria offer perfect conditions to go for a skiing trip in winter. Skiing in the Passau area is possible in [Hochficht](#) or in the [Skizentrum Mitterdorf](#), which are both located about 60 km from Passau.
