- ✓ Research topic
- ✓ Activity
- ✓ Mother tongues Arabic, German, Romanian, Serbian desired
- X Only once

What is the project about?

In the last years, day care centres (kindergarten) have become more and more colourful everywhere – especially when it comes to the children’s nationalities.

The day care centres „St. Elisabeth“ in Spitalhofstraße, “St. Bartholomäus” and “St. Michael” in Grubweg in Passau are very diverse with children from many nations.

With **bilingual readings** we would like to provide an **empowering** experience for the children with other mother tongues and at the same time offer an **intercultural experience** for the children whose mother tongue is German.

Our cooperation partner Caritas is the largest welfare association in Germany and organizes the social work of the Catholic Church. The association provides 88 day care centres.

What do I have to do?

Your team tasks will be:

- **Research** of bilingual published children's books (perhaps from your own home country or the own childhood)
- **Preparing and carrying out readings** with insights through little "show" acts or pictures from your own country etc.
- Obtaining feedback from the day care centre management before realizing the reading
- Implementation on fixed dates in consultation with the day care centre management

Further details about the languages, who takes over which tasks and general tasks that have to be done you will get at the kick-off on October 25 at 6pm from the cooperation partner Caritas.

How much time do I have to invest?

The time commitment is flexible, depending on the subproject. Research and preparation are free on your own time schedule, but the appointments in the day care centre must be arranged well in advance.

More information about how much time you have to invest you will get on October 25 at 6 pm at our kick-off meeting.

Other requirements

Skills and knowledge you bring that will be helpful for the project:

- In the day care centre in Spitalhofstraße we are specifically looking for **bilingual tandems** with the following language combinations: **Arabic-German, Romanian-German, Russian-German, Croatian-German, Albanian-German and/or Serbian-German**
- Enjoy organizing an event
- Having fun in interacting with children
- Willingness to work in a trustful cooperation with the day care centre management
