- Prepare a presentation about the country, organise translations into German
- Organise something interactive for the participants (e.g. cooking together, dancing, singing ...)
- Fundraising for materials/food, if necessary Maintaining contact with the "Gemeinsam Leben und Lernen e.V." team
- Advertising, PR and social media Organising the cultural evening

Further details will be discussed at the kick-off evening on 25 April at 6 pm in the ISA..

Where do I do that?

The cooking in the retirement home is organised by the **Passau association "Gemeinsam Leben und Lernen in Europa e.V." (GLL) and the associated university group "Gemeinsam aktiv!"**

GLL is a non-profit organisation in Passau that works to promote better coexistence in society and organises encounters between a wide variety of people. The organisation and the university group work together to implement projects that promote tolerance, diversity and equal opportunities.

If you are interested, you can also take part in other projects organised by the association.

At the AYCD kick-off evening on 25 April at 6 pm in the ISA, you will get to know your team and the people responsible for the association and the university group and find out details about the project.
