What do I have to do?

In the "Solidary Bread" project, refugees, migrants, internationals and locals bake bread and biscuits together twice a month and donate them to the Passau food bank or the railway station mission.

The tasks include:

- Finding recipes and procuring ingredients
- Fundraising for the food
- Organising the joint baking (e.g. also the helpers)
- Maintaining contact with the food bank and the station mission and delivering goods there
- Advertising, PR and social media
- Bake along!

Where do I do that?

The cooking in the retirement home is organised by the **Passau association "Gemeinsam Leben und Lernen in Europa e.V." (GLL) and the associated university group "Gemeinsam aktiv!"**

GLL is a non-profit organisation in Passau that works to promote better coexistence in society and organises encounters between a wide variety of people. The organisation and the university group work together to implement projects that promote tolerance, diversity and equal opportunities.

If you are interested, you can also take part in other projects organised by the association.

At the AYCD kick-off evening on 25 April at 6 pm in the ISA, you will get to know your team and the people responsible for the association and the university group and find out details about the project.
