What is the project about?

Ferien im Schloss is a **full-day holiday care programme for pupils.**

It takes place during the first three weeks of the summer holidays (29.07.-14.08.2024) at Auersperg-Gymnasium in Passau-Freudenhain.

As part of the holiday care, many **great workshops** are offered daily in the areas of sports, games, art, handicrafts, cooking, music, dance, theatre, nature, etc.

What do I have to do?

- **Design and organise as a team one or more 2-3 hour workshops** for children in the age groups 5 - 7 years and/or 8 - 10 years and/or 11 + 12 years.
- The **content of the workshop can be freely organised**, but should of course be geared towards the age group. AYCD teams are happy to offer workshops with intercultural content, such as painting cloth bags in different languages, mini language courses, regional studies, cooking, but "Programming with Scratch" has also been included.
- There are classrooms, a small kitchen, a football pitch, a volleyball court, a gym and green areas. There is also a large selection of different play and craft materials.

Further details will be discussed at the kick-off evening on 25 April at 6 pm in the ISA..
