all study programmes

German, English

Kick-Off, 25.April.,  
6 pm, ISA

# What is the project about?

The **faculty and the SoBi student council** organised a **big summer party on Wed, 3.7.24.**

Many university groups can take part. As **ESG and AYCD** we also want to contribute something!

Your **ideas and your commitment** are needed. Whether it's a creative offer, a stand with a quiz (on a topic we can find ourselves), a food stand or something else, we can look for and find it together.

You should have **time for 1-3 preparation meetings** (depending on the effort and arrangements) and of course on 3 July!

**All details and the distribution of tasks will be discussed on 25 April at the AYCD kick-off event at 6 pm in the ISA**

# What do I have to do?

In the **organisation team**, we **collect ideas and decide what exactly we want to do on 3 July**. And then realise it. (Be it cooking, preparing and supervising creative activities or whatever ideas we want to realise.)

This requires a **few preparatory meetings, distribution of tasks and, above all, your commitment at the event itself (3 July) with preparations, stand supervision/activities and follow-up (cleaning up)**.

# Requirements & others

## **What you should bring with you:**

- Ideas for a campaign / stand
- Happy to implement and organise something
- Promote AYCD and ESG material
- Fun and good humour

## **The ESG offers:**

- Infrastructure and a small budget for materials
- Support during preparation and at the summer festival
