

# Support for migrants in apprenticeships

#day-to-day life #language #intercultural #pedagogy  
#integration #youngsters #careerguidance

Approx. 2-3 hours/week

All degree programs

Good German and  
potentially other  
language skills

**Kick-Off, 25.April.,  
6 pm, ISA**

# What is the project about?

The aim of this voluntary engagement is to support **trainees from the gastronomy sector and provide them with assistance**. Depending on the size of the project team, around 10 trainees will have the opportunity to take part.

The **Hospitality industry** urgently need workers. In various investigations, the German Hotel and Restaurant Association (DEHOGA) was able to establish that, fortunately, **more trainees for the hotel and gastronomy sector are once again being trained at vocational schools**. However, we have learned that many students have difficulties making the most of the lessons as there are barriers, particularly in the area of **German language but also in the cultural sphere**.

# What do I have to do?

In the best case scenario, the project task would be **to provide one-to-one support for an apprentice**, in which German language skills can be improved while at the same time establishing a **personal bond**. An apprentice should have a **contact person in the form of a buddy** who can also help with everyday matters and thus become a **reliable reference person**.

This could include, for example, going for walks together, visiting the language café or other free-time activities, as well as reading together or helping to fill out forms. In addition to 1:1 support, **team meetings** should also take place to exchange ideas. **A first joint meeting and an introduction to the project** are also planned.

Detailed information will be covered at the **kick-off event on April 25 at 6 pm** at the **ISA** with the team and the cooperation partner.

# Requirements & others

- Knowledge of German and potentially other languages
- Empathy
- Fun in organizing
- Fun in dealing with young people
- Flexibility

# Cooperation partner
