# What is the project about?

An **international music project** initiated by the **International Choir** of the University of Passau, which performs several times a semester with music and dance from Africa and Europe (and is currently still looking for singers!).

From **May 7-22**, around **18 young people and adults** from a **music school in Uganda** will be coming to Passau for two weeks to give concerts and participate in cultural events.

Therefore we are looking for:

Organizing members and artist accompaniment, technical know-how, finances, public relations

# What exactly do I have to do?

There is a lot to organize for the planned visit from Uganda. Communication, public relations, finances, technical know-how.... Would you like to help?

**For the period 07.05-22.05 2024 we need support for**

- Accompanying the young people (cultural program, e.g. city tours...)
- Cooking together, sports and games
- Transportation of the young people
- Organization of performances, accompaniment at events and meetings in schools etc.
- Set up technology / stage, place chairs...

We will talk about exact details and your available time at the **AYCD Kick-Off, April 25, 6 pm in the ISA.**

# Requirements & others

## What you should bring with you:

- Organizational skills
- Team spirit
- Communication skills
- Possibly interested in public relations
- Possibly interested in financial planning
- **English and/or Kiswahili (Luganda) desirable** for the duration of the project in May
- Good mood and reliability
