

Culture

Culture is a big deal in Passau—both on campus and in town. Concerts, readings, exhibitions and other events take place regularly in the University's own Culture Café (Kulturcafete), located in the Nikolakloster building. During the semester, numerous student societies and clubs ensure a lively and multifaceted student life on campus. Museums, galleries, music and literature, theatre and cabaret offer a wide range of possibilities. On the website of the City of Passau, there is a list of all cultural facilities as well as associations situated in the City of Passau and its surroundings. To keep abreast of the cultural events, check the calendar of the City of Passau at its website.
