Welcome Centre

We are happy that you decided to come to our beautiful university and city. Some 12,000 researchers and students from more than 100 countries are working and studying at the University of Passau. Researchers and students benefit from the manageable size of the University campus, which results in short distances, and an excellent student experience. But not only the University itself is highly appreciated, the city of Passau also has a lot to offer. Widely considered one of the most beautiful cities in Germany, Passau is situated in the southern foothills of the Bavarian Forest at the confluence of the rivers Danube, Inn and Ilz.

Our Welcome Centre offers international researchers a personal contact and makes it easier to find their bearings and settle in at their new workplace. We would be happy to facilitate your start and support you with all non-academic issues regarding your stay in Passau.

- ▶ Visa and residence permit
- ▶ Finding accommodation
- ▶ Formalities after arrival
- ▶ CampusCard and ZIM credentials
- ▶ Arranging for health and social welfare insurance
- ▶ German language courses
- ▶ Support for parents and children
- ▶ Family integration services
