

TK insurance for students - stable contribution - strong performance

As a student you will pay the lowest rate for health and long-term care insurance till the age of 30:

117,50 EUR per month all in for students under 23

120,34 EUR per month all in for students between 23 and 29

Students over 30 have to choose a private health insurance and should send the documents from private insurance company to eugen.theurer@tk.de for confirmation of insurance for enrolment

Here are some more of our excellent digital services:

- Clarify concerns via smartphone with the [TK-App](#)
- [TK-Fit](#) fitness programm
- [TK-Doc](#) app – chat with doctors around the clock
- The electronic patient file [TK-Safe](#)
- Clarify akute skin problems with [Online-skin check](#)
- Prevent sleep disorders with [Onlinetraining](#)
- [Fimo-Health-App](#) für long covid sufferers

Have we convinced you too? Simply and quickly fill out the online application with this link or QR-Code and become a member:

With TK, you pay less than with many other health insurers, because in 2023 we will keep our additional contribution stable and not increase it. At TK, you will continue to receive comprehensive benefits and outstanding service in 2023. This was also confirmed once again by Focus Money. Here, TK has now received the award as "Germany's best health insurance company" for the 17th time in a row.
