ABOUT IIM SHILLONG

The Indian Institute of Management Shillong, established in 2007, is one of India's premier management institutes, known for its focus on sustainability, leadership, and global perspectives. Located in the scenic hills of Meghalaya, the institute blends academic rigour with experiential learning, preparing future leaders to navigate complex global challenges.

Life at IIM Shillong extends beyond the classroom - through student-led activities, campus events, conversations, collaborations and experiences that bring people together.

ABOUT INTERNATIONAL WEEK

A WEEK THAT BROADENS
PERSPECTIVES. FOR LIFE.

International Week at IIM Shillong is an immersive experience that brings together bright minds from around the world to explore India through business, community and culture.

Across seven dynamic days, you will engage with faculty and industry practitioners, step into real markets and communities, and experience the rich diversity and warmth of Northeast India.
